# Who we are

Hello and welcome to Coin Street! Inside this brochure you will find everything you need to know about the many exciting sessions and services we have on offer.

Coin Street is a social enterprise based in Waterloo and North Southwark, London. Our journey started in 1984, when a group of local residents led an extraordinary campaign to save the 13-acre site, which was largely derelict.

Today, Coin Street is at the heart of a vibrant, diverse, and welcoming neighbourhood. Our community support and activities are wide and far reaching – there is something for everyone!

“

*I've been part of the choir since its conception, and I love singing... I'm the happiest when I sing so this is the highlight of my week – coming to the choir and singing with the community!”*

“

*I chair the Young Leaders sessions, where we discuss current issues and help to improve our local community. During summer we raised money with our Good for Girls programme and made enough to host a Christmas lunch for the seniors of the community... As a group, we constantly get involved with our local MPs and try to change things in the community for the better.”*

# Nursery

**At the heart of our community, our 59-place day nursery provides high quality, family-centered educational care for children from 3 months to 4 years.**

Our highly qualified team support each child with great care through their unique learning journey. An innovative curriculum is based on the needs of children, giving them skills for life such as sewing, riding a bike, storytelling, woodwork, and writing.

We are passionate about creative and expressive arts, hosting regular visits from the Southbank Sinfonia, trips to the Tate Modern and South Bank. In partnership with Rambert, our 2-4-year-olds enjoy an 18-week annual dance programme. Forest school activities like growing plants, our mud pie kitchen and bug hotel nurture curiosity and imagination in our large outdoor play space.

We have a strong focus on health and physical development, taking daily trips out in the local area and regularly using Colombo Centre sports facilities. Our talented chef cooks up fresh, healthy meals for the children every day, encouraging them to try different ingredients.

**FREE membership at Colombo Centre gym for all nursery parents!**

*The team at Coin Street Nursery provide a warm, secure, happy, and stimulating environment, where children can flourish and grow... All staff members are passionate, patient and supportive and we cannot thank them enough..."*

**Sova family**

“

*Victoria and Gloria are very enthusiastic about the special activities that Coin Street organises – football twice a week on an actual football pitch from Colombo Centre, modern dance with Rambert, music and discovering classical instruments with Philharmonia Orchestra.”*

**Mnohohitnei family**

“

*From the beginning we have been really impressed with staff professionalism and carefulness as well as the friendly and homely atmosphere of the nursery... A lot of attention is paid to the development of verbal communication and staff encourage children to speak their home language at nursery and share words with their friends.”*

**Cilibrizzi family**

**100% of parents and carers say their child is happy at nursery and they would recommend Coin Street to another parent.**
